Let me just say this: I'm a very happy newt owner and I have made the decision to share this with the world. I know, I'm really excited too. So here's the deal. I currently have two litters and I'm currently looking for a good home for the kids (and parents). I am not currently selling, and they will not be going to someone else. If you'd like to talk more, feel free to e-mail me at merrimanknappetitewithgrease@hotmail.comThis is how I manage the death of my favorite dog. He was a big brown labrador, I always called him Bonkers. This was the post I made on my Tumblr blog when we lost him. It was my first blog. I'm posting it here too so I can find it in the future. This is the big brown labrador that I've had since I was about 8 years old. It was the last year of his life. I named him Bonkers. Bonkers, a big brown labrador. Bonkers, we love you so. Bonkers was part of my life for nearly
