What's New in the SellFolio?

SellFolio is a special value for entrepreneurs and small companies that need the look and feel that a high-end marketing department would provide. Plus, you can include sound, weblinks and Adobe Acrobat-format.PDF documents for extra marketing power. And SellFolio is so easy! If you can browse for a file and read, you can use SellFolio today!

SellFolio easily helps you create interactive presentations with animation and the highest quality look and feel. With SellFolio, you provide the digital photos, text and sound, and SellFolio assembles your work into a stunning professional multimedia presentation. When building your portfolio, each screen

prompts you with clear step-by-step instructions of what information and photos to provide. SellFolio lets you set the default icon colors and fonts, so you can easily change them later if you like. But you can also use the built-in art gallery to search for and download any graphics you want. And SellFolio includes more than 300 icons that you can use on your desktop, websites, menus and presentations. For easy navigation, you can also control SellFolio from your Web browser. Go to any Web page and click on the SellFolio icon, and SellFolio instantly loads the screen you are looking for. SellFolio includes a large gallery of stock-market graphics that you can use for your own Web sites, e-mails and marketing materials. As you add new pages to your SellFolio presentation, you can easily link to existing pages using the software's built-in full-screen, full-page browsing mode. You can also print any page, even if it is the first page of your SellFolio presentation. SellFolio is a Windows application that runs on all versions of Microsoft Windows, including 95/98/ME/NT/2000/XP/Vista and Mac OS 7.x. So whether you're running on an IBM PC, a Macintosh, or a Sun SparcStation, you can use SellFolio! SellFolio is easy to use. As soon as you start it, you'll see the following screen: Click on the Desktop Icon and a new empty window will open. Click on the left side of the window and a menu will appear: Select the "Layout" menu and choose from the following modes: Help: Click on the Help button to open a help screen for SellFolio. List: Your document will be set to a default size of 500x500 pixels. If you want to change the size, click on the settings button on the upper left of the page. Grid: If you are using the default settings for SellFolio's layout mode
