West End Hard Cider Hits Shelves This Fall We know you're all gonna want to get your hands on a bottle of West End Hard Cider this fall. We are excited to announce that their first new product in several years is now available at select outlets. West End Hard Cider: Honeycrisp, True to the Original West End Hard Cider puts a new twist on an old classic in the seasonal category, hard cider. Their first release is made with Golden Delicious apples, from a

family farm in Walla Walla, Washington. Testers loved the crisp, tart flavor, just like a great apple cider should be. West End Hard Cider is best served cool, but it can be enjoyed at a wide range of temperatures. Hard Cider from the Hard Ways of the West West End Hard Cider is made with only natural ingredients. Its natural flavors and low alcohol level allows you to savor every sip. For those that enjoy hard cider, you now have a new favorite. West End Hard Cider is inspired by a real-life, spontaneous collaboration between the West End Hard Cider team and a local Washington Farm. The farm's true cider apples and some of the cider makers' favorite cider apples are combined and fermented together to create a singular cider. The result is hard cider that is true to the original.

Q: Passing a value from form to outputted html I'm currently experimenting with AngularJS and I want to pass a value from my form 648931e174
