In Dragon Quest X, as the name suggests, you will soar through a grand fantasy world where dragons fly everywhere. Using your technology to prevent monsters from attacking you, casting magic to create objects, and using items to restore your health, you can explore a variety of dungeons and complete quests. If you are a true dragon-loving hero, you may also be able to get your hands on a legendary sword. You will also experience explosive battles that force you to seek shelter in the air to avoid death. You will also have the chance to pay an homage to The Legend of Zelda: A Link to the Past and its heroes, such as the legendary archer and the mermaid.

In Dragon Quest X, you have first person view of the world in which you are playing, and we focus on highlighting your interest to your movements. We will directly immerse you in the fantasy world, and we are asking for your participation.

Please look forward to hearing from you!

Thank you.
