Company provides a number of free drivers.. get your printer functioning using customer drivers. tvs msp 240 classic printer driver download.This invention relates to a roll-up cover assembly for retaining a roll of flexible material wound on a cylindrical body and, more particularly, to such a roll-up cover assembly having an improved end cap which allows the excess material to pass through the end cap as the end cap is lifted from the cylindrical body. Roll-up covers for cylindrical material storage containers have been in use in the prior art for many years. For example, U.S. Pat. Nos. 4,848,809; 4,826,260; 4,735,421 and 4,704,049 all disclose roll-up covers of this general type. However, no prior art roll-up cover assembly has had a construction as that disclosed herein or an end cap construction as that disclosed herein. U.S. Pat. No. 5,944,385 discloses a roll-up cover construction having an end cap and end cap retaining assembly wherein the end cap may be piv
