Youtube Music Video Singles (stylised in all lower-case) is a British four-piece indie pop band from London. The group, originally formed as Stylus City in 2007, after Jesse Johnson and Micachu met at university, changed their name to Singles. The original line-up consisted of Johnson (vocals/guitar), Micachu (guitar/vocals) and Stephen Hall (drums), but the latter left the band in 2010, soon after their self-titled debut EP. In an interview with Uncut, Micachu explained the band's name: "We [were] just going for sound and vibeâ€| but then we realised it could be seen as more like a porno or something you used to get before you were a were youâ€| You go through six websites for singles.
