## **Elden Ring**

"I just want to say that this game is amazing, it really is. It's so much fun to play and enjoy the fantastic graphics with an incredible story. I mean story is amazing I'm kind of like this kid in a candy store of a game. I just love the graphics and I love the story and I love the development team behind it. So all in all I mean this game is just, its a great game!" "This game is unique. I've never seen an RPG like this. The only other one that comes close is Dragon Quest but it's a little childish compared to Tarnished. Well it's like Dragon Quest but without any dumbness and more a mature style." "First of all, the graphics, they are excellent. The character designs, though not perfect are in the same league as Final Fantasy. The characters movements are also very fluid and smooth. The sound is as good as you would expect from a Square Enix production and it fits the game perfectly. The story is fantastic, the quest are fun, and the music is breathtaking." "Even though it's early in the game, the variety of weapons and the number of unique armors are promising. Although I kind of wish that you could look at your equipment to see what level you were playing at. I'm kind of sad that I have to level up in order to upgrade my armor." THE NEW FANTASY ACTION RPG. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel bff6bb2d33

• The Fairy Dance of the Lands Between You enter the world of the Lands Between from the fortress Golbez's base. Throughout your travels, you can challenge monsters in PvP, participate in a magic ritual, or leave the Lands Between to obtain the materials needed for the faction area. • In addition to the main story quest line, you can also engage in party quests in the Lands Between! Quest elements: - PVP Dungeons - Party Quests - PvM Quests - PvP Vigor System - Party Quests & PvP Vigor System (Important note) • Crafting System Different crafters can be found throughout the Lands Between to assist you with crafting. From dyes and accessories to weapons and armors, each crafter has their own unique crafting process that requires materials, items, and experience. • Classes Your character chooses a class from one of five different classes: Armorsmith Archers Bard Bowman Warriors Using the class you chose, you may learn new items, add new skills to your arsenal, and eventually, earn a new class. Classes can be replaced freely at the creation of a new character. • Equipment Each class has its unique equipment that you can acquire in the Nations Between, such as armors, magical artifacts, weapons, and armor. • Equipment can be strengthened after each PvP battle, allowing you to further increase your combat ability. You can also exchange equipment with NPCs to update your equipment levels. High quality equipment can be obtained through high-tier quests. • Color System Armors, weapons, armor, rings, and accessories have different colors. When you improve your equipment, the color of your equipment will change. When you go on a quest, you can find more than one class' materials with different colors, allowing you to change the color of your equipment to match your mood. A new feature of the color change effect system, the "LOTC Color Change", enables you to change the color of the equipment you are wearing to any color you like. Game Systems STORY • Important Note: You can change your class at any time. Once you have earned enough silver coins, you can change your class with ease. • Play in an Overflow World The play in the Lands Between, which is separate from the main world, is
