H&M Paper Flowers H&M are selling big boxes of neon paper flowers in the UK. You can also find them on ebay. I got tired of paying £18 for them so found them in the garden centre for £2.99. I made these - though a simple version - last year and they were a big hit. My daughter decided to make some garland with all the flowers and they are now on her bedroom wall, and a set of my best china. I have lovely hands so it was easy to make the stems for these. First I cut some pipe cleaner a random length, including the stem, and twisted it to make a flower shape. I used some vintage blue/cream china that I didn't want to use any more, and cut it into bigger pieces for the garland. I ironed it on to the flowers that I'd shaped, using newspaper to prevent the paper fraying.
